

Introducing the Retail Pilot Program

Drive new revenue through retail sales of Hyperice's in-demand wellness and recovery technology with our new pilot program. As we all adjust to new circumstances, we are proud to offer your clinic a unique and risk-free opportunity.

Getting started with Hyperice

Introduce Hyperice's Retail program in your clinic with a selection of our most popular products

Each pilot location will receive free demo equipment and a marketing tool kit (\$900 value)

Retail products are provided on 30-day terms

Hyperice provides retail best practices, treatment protocols, and marketing resources

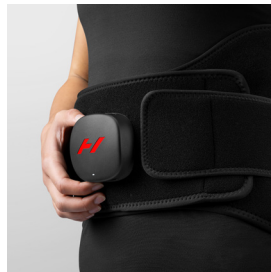

Suggested starting package

Hypervolt Go 2 (12)

Hypersphere Go (12)

Venom 2 Back (6)

Other products to consider

Hypervolt 2

Vyper 3

Venom Go

What our partners have to say

High utilization rates of the Hyperice demo equipment in treatment protocols (used in 75-85% of patient visits)

Improved patient satisfaction with both patients and therapists enjoying the Hypervolt

Higher than average compliance to at-home protocols when instructed to use their new Hyperice products as part of their program

Easy and consistent revenue for the clinic

Learn how to get started and how this program can be a success at your clinic.
